EXECUTIVE SUMMARY

Elizabethville Multipurpose Educational Venue is a dynamic educational, training, accommodation, conferencing and community development facility situated in Walkerville, Gauteng.

Established with a vision of creating an integrated educational village, Elizabethville serves as a platform where education, skills development, entrepreneurship, professional growth, and community empowerment converge.

The facility provides quality infrastructure for educational institutions, training providers, businesses, community organisations, churches, schools, and government stakeholders seeking a conducive environment for learning, development, collaboration, and events.

Through strategic partnerships and a commitment to lifelong learning, Elizabethville is building a sustainable ecosystem that creates opportunities for students, professionals, entrepreneurs, job seekers, and communities.

ABOUT US

Elizabethville Multipurpose Educational Venue is more than a venue. It is a growing educational and developmental hub dedicated to improving access to quality education, practical skills training, community engagement and economic empowerment.

Located in the peaceful surroundings of Walkerville, Gauteng, the facility offers a unique environment that supports both academic and professional development while providing versatile spaces for events, conferences, accommodation, recreation, and community programmes.

Our integrated approach allows educational institutions, businesses, government entities, and community organisations to utilize a single location for learning, networking, training, strategic planning and special events.

ABOUT US

OUR MISSION

To provide quality facilities, educational opportunities, and developmental programmes that empower individuals, strengthen communities, and contribute to sustainable social and economic growth.
